Subject: ELTI Recognition

According to the above subject and in response to your letter (e-mail) of 6th February 2018, we inform you with the following:

As it is known, tobacco sector, in our country, suffered a large reduction since the campaign 2006 and after. That reduction reached at least 80% of the production and it is due to the change of the tobacco coupled support and many other reasons which were in force in our country. Finally tobacco today stabilized in lower productive levels after the co-operation between the tobacco producers and the processors and the recognition of the tobacco interbranch organization.

We believe that the recognition of European Leaf Tobacco Interbranch (ELTI) will help tobacco sector with the difficult circumstances it faces.

Finally we provide confirmation that the data and documents submitted by producer organizations, processors and tobacco Inderbranch organization are correct.

Also we send you attached the ministerial recognition decision of tobacco Inderbranch organization (ΦΕΚ 567/Β/8-4-2015), the Law number 2732/1999 (ΦΕΚ 154/Α/30-6-1999) about inderbranch organizations, the Law number 4384/2016 (ΦΕΚ 78/Α/26-4-2016) and the joint ministerial decision number 238/19130/11-2-2014 (ΦΕΚ 380/Β/18-2-2014).

We are in your disposal for any further clarification or information.

Yours sincerely,

K. Anastopoulos
Director
