

CALL ORGANIC PLUS – scadenza 25 febbraio 2014

Istruzioni per la compilazione dei format online

5.2 PRE-PROPOSAL APPLICATION

Part A, B and C can be saved at all steps and revisions of Part D can be submitted until the dead-line. The latest version will be shown at the next log-in. On 25 February 2014 at 13.00 CET the latest version is considered to be your final pre-proposal.

Part A: Project information (filled in by the Coordinator):

(<http://eracall.eu/> > Partnering & Application > My Groups > Workspace > Edit application > Project-info > View\Edit > Edit >>...)

1. Title of Project (max. 200 characters incl. spaces and punctuation)
2. Project Acronym (max. 20 characters)
3. Duration of the proposed research project (max 36 months)
4. Topics (Thematic research area): 1) 2) 3) or 4)
5. Keywords (max 5 and 100 characters)
6. Project Summary (2000 characters incl. spaces and punctuation)
7. Publications (References of ten selected publications (per consortium) by the partners and relevant to the proposal including links to the articles or abstracts.)
8. Description of work, to be uploaded in PDF-format. *Please refer to part D of this list.*
9. “Submitted” - checkbox. In order to submit the application, click at the box, then save.

Part B: Partner information (filled in by each partner)

Contact details for each project partner

(<http://eracall.eu/> > Partnering & Application > My Groups > Workspace > Edit application > Partner-info > View\Edit > Edit >>...)

1. Partner (Organisation / Institute)
2. Acronym (e.g. for University of Milan: UNIMI)
3. Role (The role of each project partner in the project)
4. Partner description (A short description of the partner)
5. For coordinator and work package leaders: Brief CV and a short description of ongoing projects related to the present topic indicating project name, funding source and amounts, and potential overlap or link with the current proposal
6. Previous dissemination activities (Links to examples of previous dissemination activities relevant to the proposal, by the institution/organisation responsible for dissemination)

Part C: Partner budget (filled in by each partner)

(<http://eracall.eu/> > Partnering & Application > My Groups > Workspace > Edit application > Partner-budget > Create >>...)

- > Chose funding agency
- > Confirm funding scheme
- > Fill in Total / Requested costs, following the CORE+ and national regulations

Part D: Description of Work (uploaded by the coordinator, also see Part A Nr. 8))

(<http://eracall.eu/> > *Partnering & Application* > *Part D template* >>...) opens the file Part_D_CORE-Organic_plus.pdf which contains instructions on how to write the requested Description of Work:

1. Proposal identification number (will be shown when you log-in)
2. Project title.
3. Project acronym.
4. Project objectives and main hypotheses.
5. Description of:
 - . Relevance of the proposal compared with the call text.
 - . Expected results for the sector and how they will overcome barriers and support development opportunities for the organic sector.
 - . Relation of the consortium to the main target groups and how these will be involved and/or targeted in the project.
 - . European added value of the project being carried out transnationally.
6. Description of the scientific methods and work plan (may be divided into work packages).
